

Announcing the.... Honor Patch Program

Sew this patch to your child's spiritwear or backpack.

Valencia Students now have the opportunity to wear their accomplishments with honor.

To kick start our new program, each Student is receiving the patch attached to this page. Sew or iron it to his or her spiritwear or their backpacks and start school off right with the honor of a Valencia Seastar.

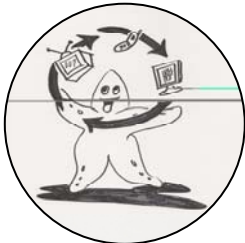

Throughout the school year, Students will have opportunity to “earn” Seastar reward patches through exhibiting positive school behaviors and participation in H&SC sponsored events. Patch designs will reflect the earned awards. Stay tuned as we roll out the details of the patch program this year!

Below are just a few examples of patches your children has the opportunity of earning:

Recognition of Good Deeds

Camaraderie: Help a fellow student in need, promote a safe environment, promote anti-bullying, discourage gossiping, include fellow students, and look for the good in everyone.

Valencia Community Program Patches

E-Cycling: Support Valencia's Electronic Recycling program by volunteering or participating during a scheduled donation event.

Teamwork and Fundraising Support

Be a part of a team that works together to support our much needed fundraisers (Walk for the Arts shown to the left). Classrooms or individuals who demonstrate exceptional support and commitment, or participation can earn honor patches.

Students and Parents, watch for more patch designs to be continually added!

Wear your Seastar Patches with Honor!
